

we see further deregulation so that the small business sector of Mexico can thrive is very, very important.

I will say that there is another issue that is very important, especially for my State of California, dealing with the challenge of illegal immigration which has been very great. President Fox is the first Mexican president to come forward and state unequivocally that Mexico needs every Mexican, meaning that he wants to create an economy so that people in Mexico will not have an incentive to flee across the border into the United States.

I am very, very encouraged about this wonderful relationship that we are going to have with Mr. Fox. I am convinced that the encouragement which we have provided through that election process has been very, very key to the success that we are seeing. I look forward to working with him and with my colleagues to strengthen this very, very important relationship.
